MBL/mb1

On 3/28/96, Burns Security personnel office advised that their records indicate that WAYNE GREEN, a former employee assigned to the Regency Tower Apartments at the time of the bombing of the Murrah Federal Building, died on July 17, 1995.

Use the trick  
made popular by  
the Clinton administration  
If you need to displace  
blame for something, use  
this dead guy.
