Source advised that there is an intense amount of pressure and suspicion among the attendees at the convention. Source advised that convention members almost caught one of the people involved in the surveillance at the hotel.

Source advised that members of the convention believe that both individual rooms and conference rooms at the hotel have had electronic eavesdropping devices placed in them and that there is a belief that some of the conversations which took place in some of these rooms have been overheard or recorded by the Sheriff's Department.

Source advised that while at the convention [redacted] displayed a homemade cannon [redacted] in a motel room at the convention and there is a belief that the room where this weapon was shown may have had an electronic eavesdropping device placed in it and that the conversation may have been recorded.

Source advised that the convention is in pandemonium and many of the attendees are leaving and the Source believes the convention may be over at this point.

Source expressed a belief that possibly [redacted] may be arrested [redacted] Source advised that they
